

# QUESTIONS TO ASK YOUR WEB DESIGN COMPANY

And Answers From JSMT Media!

Learn a few ways to help you find the most reputable and talented web design partner to take your business to the next level.

## WILL I OWN MY WEBSITE?

A website is one of the most important business assets and you should maintain full control and ownership.

## DO YOU OUTSOURCE?

JSMT Media has a fully in-house team of web developers to ensure quality work and easy communication.

## DO YOU USE A PAGE-BUILDER?

We custom-code our websites for the best performance and truly unique designs. They are still easy to update for non-technical users!

## DO YOU GUARANTEE YOUR WORK?

JSMT Media offers unlimited rounds of feedback to make sure you're 100% happy with the finished product.

## DO YOU HAVE REFERENCES?

We have an excellent track-record of happy clients and successful projects, with over 125 Five-Star Google reviews.

## ARE YOUR WEBSITES SEO-READY?

We build cleanly-coded, fast-loading websites that enable a successful, ongoing SEO strategy.

## WILL MY WEBSITE BE EASY TO USE?

At JSMT, we enhance and customize WordPress to empower our clients to easily update and maintain their own sites.
